

## ASX Release

### MANAGING DIRECTOR VIDEO INTERVIEW

Novita Healthcare Ltd (ASX: NHL) (“Novita” or the “Company”) is pleased to announce the release of a video interview with Managing Director Mr. Glenn Smith.

The video is available here: <https://www.youtube.com/watch?v=vHQvIkF1c0>

The interview discusses the imminent launch of the Company’s Tali Detect application, a 20-minute digital game-based screening tool designed for ALL children to assess potential attention deficits in early childhood.

Mr Smith also discusses the Company’s Tali Train program, a scientific and clinically validated medical software. The product is proven to strengthen core attention in young children both those with a clinical attention issue and, those typically developing children who can potentially achieve better educational outcomes (in particular numeracy) through this unique attention training platform.

#### ABOUT NOVITA

Novita Healthcare Limited (ASX: NHL) is a leading early childhood technology business targeting ATTENTION in children through its breakthrough Tali platform. Tali combines evidence based proprietary algorithms inside a game-based program to assess and strengthen core attention in early childhood ([www.talihealth.com](http://www.talihealth.com)).
